Lake Tranquility Thunderbolts
Summer Swim Team

The Lake Tranquility Swim Team is a member of the Walkill Valley Swim Conference. We are a summer recreational program for children 4 -18 that is committed to the development of the enjoyment of competitive swimming while teaching responsibility, camaraderie, sportsmanship, respect for teammates and opponents. Summer recreational swimming encourages children to swim for self-improvement and helps to establish a team identity and philosophy. We hope that all Thunderbolt children develop a love for a sport that will benefit them and continue into the future. Coaches, parents and swimmers should view competition with a positive attitude whether the team or individual is victorious or not. We want all our swimmers to gain confidence, swimming skills and a positive attitude about themselves and others.

Practices are run every week day, once in the morning and once in the evening to ensure that every child has the opportunity to practice. They can attend one or both practices. We have approximately 3-4 home and 3-4 away meets during the month of July. Our conference Championships will be either the last week of July or the first week in August.

Families of the swimmers are asked to volunteer at least five times during the season at our home and away meets. “Many hands make small work” in this family friendly team! It’s a whirlwind season, but full of so much fun! Some fundraising will be necessary to keep our program going. We are lucky to have Lake Tranquility’s beautiful setting for our Thunderbolt Team. We welcome both town residents and “out of towners”.

If you would like any information or to sign up for our swim team please send an email to Stephanie Strangeway at Stephanie.Strangeway@hanes.com and I will get you appropriate information. Thank you!
